

Conference Drug, Alcohol, and Weapons Free Statement

Alcohol and illegal drugs are nationally recognized as substances, which may have a negative effect on the lives of college students. As a leadership organization, which works largely with college students under the legal drinking age, NACURH/PACURH recognize that alcohol is not needed for a good time or to promote positive growth. Illicit drugs can be lethal. Therefore, all events will be identified as “alcohol and drug free.”

Further, PACURH is a weapons free organization. In the event that someone is found in the possession of a weapon the individual in question will be documented and sent to the participants’ organization for possible disciplinary action. All participants’ found in violation of the Drug, Alcohol, or Weapons Policy will be banned from all NACURH – related conferences for a 1 – year term and the school will be placed on regional probation to last a minimum of 1 year. The method of enforcement will be at the discretion of the Regional Director, the Regional Advisor, the Conference Chair, and the Conference Advisor.

These policies will be enforced by the Conference staff, in consultation with the RBD and the relevant Regional Advisor and Regional Director.
